Dear Salem Church Member,

We are calling a special congregational meeting for the purpose of approving new bylaws for the church on Sunday, October 17, immediately following the worship service. In order to hold this meeting, we are required to have a quorum of church members present, and therefore your attendance is greatly needed.

Copies of both the new and current bylaws are available on our church website. You may also pick up hard copies at church or from the church office. If you would like a set mailed or emailed to you, please call the church and let us know.

The Church Council has reviewed and approved these bylaws for presentation to the congregation. If you have any questions about the new bylaws or the process of approving them, please contact the chair of the bylaws committee Ellen Christy. Because we have been working on this process for more than two years, it is our hope to have all questions answered ahead of this meeting so that we can move quickly to a vote.

Thank you for your continued support of Salem Church.

Charles H. Gilinger  
Church Council President
